A Sneaker Recycling Organization

In the spirit of environmental and economic sustainability, we have partnered with GotSneakers, a sneaker recycling organization, which will compensate \$1 for every pair of wearable athletic sneakers and \$0.10 per pair for all other styles and conditions of footwear that we collect. There is no limit to the amount of money we can earn. After the sneakers are collected, GotSneakers will process and distribute these sneakers around the world, specifically within impoverished nations. It is estimated that over 300 million pairs of sneakers are thrown away each year in America's landfills and that over 600 million adults and children worldwide live barefoot. We can touch the lives of thousands by simply cleaning out our closets and collecting our unwanted sneakers. The request is simple: Clean out yours and your family's closets of all sneakers.

Please send them in with your WES student during school hours and place them in our GotSneakers Box located at the bottom of the school's front steps. Collection will also take place during MakerFest Night on Tuesday April 16<sup>th</sup> in the cafeteria where you can also learn more about Destination Imagination from our Squbuckamas DI team, and at our Super Star Sprint fun run May 5<sup>th</sup>
